

11th Intersessional Meeting

Online meeting via Zoom

17 September 2026

1430–1700 hrs (CEST)

CREWS/11th Intersessional/Sept 2026/infdoc.2

Updates on Resource Mobilization Strategy and Plan

Summary

Updates on the status of the Resource Mobilization Strategy and Plan are presented by the Secretariat, for information by the Steering Committee under agenda item 5.1

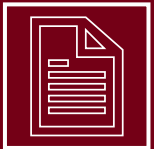

Update on Resource Mobilization Strategy

- All comments provided by Members at the 23rd meeting have been incorporated in the revised and final resource mobilization strategy.
- No additional comments were received on the draft after the 23rd Steering Committee meeting.
- Key updates include:
 - Alignment of the strategy with global commitments and CREWS reporting cycle
 - Reference to the pipeline as a dynamic tool and not limited to the current 29 endorsed projects
 - Removal of chart in Section 2
 - Inclusion of innovation as a criterion for updating pipeline proposals under section 5.2

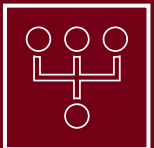

Update on Resource Mobilization Plan

Draft outline was presented at the 23rd Steering Committee meeting

Terms of reference has been drafted to establish the RM working group.

Draft Resource Mobilization Plan has been submitted to the Secretariat. This will be reviewed together with the working group

The RM plan will establish the following:

- Contributors' intelligence dashboard
- Outreach calendar
- Materials production plan
- Pipeline tracker
- Contribution tracker
- Scale up and leverage tracker
- New forward-looking pipeline screening tool
- Progress report template
